# Patches in Staging

# Patch sets in Staging

# How are things going?

- About 800 patches
- Mostly bigger / harder patches left
- Upstreaming 5-15 per release, adding 2-5
- Still rebasing daily
- Paul Gofman joined 20 September
- We aren't going anywhere ;-)

# Things that would be nice

- Notifications for patches that fall off the list
- Notifications for patches added to Bugzilla
- More people to help upstream and test
- More of your patches?
